

CEMS-QPEC Topical Meeting on Superconductivity under Extreme Conditions

January 16-17, 2017
The University of Tokyo

Day 1 (Jan. 16)		Day 2 (Jan. 17)		
9:30		Registration		
10:00		Superconductivity under high electric and magnetic fields (Chair: K. Okazaki)	Tsutomu Nojima (Tohoku University)	
10:30			Yu Saito (The University Tokyo)	
11:00			Tadashi Machida (RIKEN CEMS)	
11:30			Shigeru Kasahara (Kyoto University)	
12:00		Lunch Break		
12:30				
13:00	Registration			
13:30	Opening			
14:00	High-pressure induced superconductivity (Chair: R. Arita)	Mikhail Eremets (MPI Mainz)	Superconductivity in novel structures (Chair: T. Machida)	
14:30		Mari Einaga (Osaka University)		Yuji Matsuda (Kyoto University)
15:00		Hidekazu Mukuda (Osaka University)		Takahiro Misawa (ISSP, The University of Tokyo)
15:30		Katsuya Shimizu (Osaka University)		Shiro Sakai (RIKEN CEMS)
16:00	Coffee Break		Coffee Break	
16:30	Novel superconducting materials (Chair: S. Sakai)	Yann Gallais (Université Paris Diderot)	Non-equilibrium superconductivity (Chair: T. Hanaguri)	
17:00		Kazutaka Kudo (Okayama University)		Naoto Tsuji (RIKEN CEMS)
17:30		Kenya Ohgushi (Tohoku University)		Kozo Okazaki (ISSP, The University of Tokyo)
18:00		Takao Sasagawa (Tokyo Tech)		Yusuke Nomura (The University of Tokyo)
		Closing		

35 min talk (30+5)	30 min talk (25+5)
